

3RD ANNUAL CONFERENCE  
**VANUATU HEALTH RESEARCH SYMPOSIUM**  
26-28 OCTOBER 2022 | LUGANVILLE VMPF CONFERENCE ROOM

# CALL FOR ABSTRACTS

## ABSTRACTS DUE 5 SEPTEMBER 2022

The Vanuatu Health Research Symposium is a forum to highlight health research conducted across Vanuatu by the Ministry of Health and partners, including hospitals and provincial health offices.

Submissions are welcome from Ministry of Health and partners.

Technical support to prepare abstracts and presentations is available on request.

Submissions can focus on:

- \* Basic sciences
- \* Clinical research
- \* Clinical case reports
- \* Allied health or mental health
- \* Social science research
- \* Implementation of health programs
- \* Public health research
- \* Program evaluation
- \* Community impact research

Posters and oral presentations are welcome

Several prizes will be awarded
